2345 LED

LED wall luminaires and ceiling luminaires IP65

- Multilumen and Multicolour
- Optional sensors
- Cover with theft protection

2345 LED is versatile in use. As a wall or ceiling luminaire it fulfils nearly any lighting task thanks to its multi-lumen technology with three levels from 1.000 to 2.000 lm. With multi-colour, two light colors are available in one luminaire. Application areas are corridors, staircases, entrance areas, humid environments and canopied outdoor areas. This will get the job done!

Why you'll get the job done with the 2345 LED wall and ceiling luminaire

- Flexible luminaire luminous flux setting (2,000 lm, 1,400 lm and 1,000 lm) thanks to multi-lumen technology.
- Thanks to Multicolour, two light colours in one luminaire.
- High IP protection rating (IP65) for canopied outdoor applications.
- 1:1 replacement of conventional luminaires offering time and cost savings during refurbishment.
- Theft protection through additional screw locking device.
- Optionally with integrated HF motion sensor.
- Reliable service life (50,000 h, L70).
